Date: December 16, 2005

To: All Board of Directors

Subject: 2005 Accomplishments

This memo is to inform the Board of the achievements of the Department in 2005. These are just some of the highlights and this is not an all encompassing view of the activities and accomplishments the department has made in 2005. In addition all but one firefighter attended the minimum required training for the year to gain pension eligibility. All the equipment and apparatus for the first time since the department was formed was tested and inspected on a regular weekly basis. Every piece of apparatus was kept in operational order with little to no down time the entire year. Maintenance costs of apparatus and equipment was at an all time low.
